## [GROWING IN GOD'S LOVE](#)

Help the children in your church grow with the newest multiage curriculum for children ages 5-10, based on the best-selling story Bible *Growing in God's Love: A Story Bible*.

This relationally focused curriculum dives into the 148 stories from the story Bible. Each session also includes suggestions for Intergenerational church and home activities around worship, education, connections, and service. Ideal for any size church to use with multiage children's groups.

In this curriculum, children will:

- enter into sacred space together
- read and hear a story of God's people from *Growing in God's Love: A Story Bible*
- pause to let God's word enter into their hearts and minds
- engage their curiosity and imagination with God's story
- wrestle with their place in God's story
- bless one another with God's grace

**This story Bible curriculum allows you to build your own library of units from the thirty-five units, which contain three to five sessions each. The first round of six units will be available in the summer of 2020, with subsequent rounds in 2021.**
