

**Presbytery of South Alabama**  
**Camp and Conference Fund Scholarships**  
**Guideline and Procedures Revised July 2018**

The purpose of these scholarships is to help the congregations of the Presbytery of South Alabama encourage and enable their children, youth and non-clergy adults to participate in outdoor, camping and conferencing opportunities that encourage participants to grow in their relationship with God and in their discipleship with Jesus Christ.

The funds that have been set aside for this purpose by the Presbytery will be invested with the Presbyterian Foundation. Funds available each year for scholarships will be a combination of interest earned on and/or dividends from these funds plus the amount placed in that year's budget of the Presbytery for such scholarships. The Scholarships will generally be limited to a maximum of \$800 per congregation and \$200 per individual per year. Once the amount of money set aside for scholarships in a given year has been allocated, there will be no more scholarships available for that calendar year. Scholarships are not available for mission trips.

The Administrative Division administers the Fund. They will consider requests two times a year in April and September. Application forms will be available on the Presbytery website. Applications must be submitted by April 1 or September 1 with prior endorsement by the Session of the home church or council and, so far as possible, matched by the Session and/or participating families.

Scholarship requests for Presbytery of South Alabama events and other PC(USA) events will be funded first, subject to the amount of money available in a given year. Scholarship requests for other events will be considered and funded subject to approval by the Administrative Division.
